My Memoirs, DISFRANCHISED is now in print, and is 100% truth, and George High names 12 federal Judges in the 11th Circuit Court of Appeals, Presidents Regan, Bush 41 and President Bush (43) along with 19 other persons who participated in framing of George and Virginia High.

George High now live in low-income senior Citizens Building and pay \$177.00 monthly and his total income is \$550.00 monthly Social Security and \$73.00 monthly SSI and \$10.00 monthly food stamps. Virginia & George High were the victims of a "Judicial Lynching" and spent over 7 years in federal prison after being framed by the Executive and Judicial in a "Racist Conspiracy." After-which The United States of America stole 1 million two hundred + thousand \$\$\$ from them and caused the High Family to lose 4 businesses and 4 + million in assets. My Memoirs, DISFRANCHISED is now in print, and is 100% truth, but in all earnestly it is very controversial because George High names 12 federal Judges in the 11th Circuit, Presidents Regan, Bush # 1 and President Bush along with 19 other persons who participated in framing of George and Virginia High.

George High now live in low-income senior Citizens Building and pay \$177.00 monthly and his total income is \$550.00 monthly Social Security and \$73.00 monthly SSI and \$10.00 monthly food stamps. George High affirm that: He will continue this fight until Justice prevail, or hell freeze over, which ever comes first.

Virginia & George High were the victims of a "Judicial Lynching" and spent over 7 years in federal prison after being framed by the Executive and Judicial in a "Racist Conspiracy." After-which The United States of America stole 1 million two hundred + thousand \$\$\$ from them and caused the High Family to lose 4 businesses and 4 + million in assets. My Memoirs, DISFRANCHISED is now in print, and is 100% truth, but in all earnestly it is very controversial because George High names 12 federal Judges in the 11th Circuit, Presidents Regan, Bush # 1 and President Bush along with 19 other

persons who participated in framing of George and Virginia High.

George High now live in low-income senior Citizens Building and pay \$177.00 monthly and his total income is \$550.00 monthly Social Security and \$73.00 monthly SSI and \$10.00 monthly food stamps. George High affirm that: He will continue this fight until Justice prevail, or hell freeze over, which ever comes first.

Virginia & George High were the victims of a "Judicial Lynching" and spent over 7 years in federal prison after being framed by the Executive and Judicial in a "Racist Conspiracy." After-which The United States of America stole 1 million two hundred + thousand \$\$\$ from them and caused the High Family to lose 4 businesses and 4 + million in assets. My Memoirs, DISFRANCHISED is now in print, and is 100% truth, but in all earnestly it is very controversial because George High names 12 federal Judges in the 11th Circuit, Presidents Regan, Bush # 1 and President Bush along with 19 other persons who participated in framing of George and Virginia High.

George High now live in low-income senior Citizens Building and pay \$177.00 monthly and his total income is \$550.00 monthly Social Security and \$73.00 monthly SSI and \$10.00 monthly food stamps. George High affirm that: He will continue this fight until Justice prevail, or hell freeze over, which ever comes first.

Virginia & George High were the victims of a "Judicial Lynching" and spent over 7 years in federal prison after being framed by the Executive and Judicial in a "Racist Conspiracy." After-which The United States of America stole 1 million two hundred + thousand \$\$\$ from them and caused the High Family to lose 4 businesses and 4 + million in assets. My Memoirs, DISFRANCHISED is now in print, and is 100% truth, but in all earnestly it is very controversial because George High names 12 federal Judges in the 11th Circuit, Presidents Regan, Bush # 1 and President Bush along with 19 other persons who participated in framing of George and Virginia High.

George High now live in low-income senior Citizens Building and pay \$177.00 monthly and his total income is \$550.00 monthly Social Security and \$73.00 monthly SSI and \$10.00 monthly food stamps. George High affirm that: He will continue this fight until Justice prevail, or hell freeze over, which ever comes first.

Virginia & George High were the victims of a "Judicial Lynching" and spent over 7 years in federal prison after being framed by the Executive and Judicial in a "Racist Conspiracy." After-which The United States of America stole 1 million two hundred + thousand \$\$\$ from them and caused the High Family to lose 4 businesses and 4 + million in assets. My Memoirs, DISFRANCHISED is now in print, and is 100% truth, but in all earnestly it is very controversial because George High names 12 federal Judges in the 11th Circuit, Presidents Regan, Bush # 1 and President Bush along with 19 other persons who participated in framing of George and Virginia High.

George High now live in low-income senior Citizens Building and pay \$177.00 monthly and his total income is \$550.00 monthly Social Security and \$73.00 monthly SSI and \$10.00 monthly food stamps. George High affirm that: He will continue this fight until Justice prevail, or hell freeze over, which ever comes first.

Virginia & George High were the victims of a "Judicial Lynching" and spent over 7 years in federal prison after being framed by the Executive and Judicial in a "Racist Conspiracy." After-which The United States of America stole 1 million two hundred + thousand \$\$\$ from them and caused the High Family to lose 4 businesses and 4 + million in assets. My Memoirs, DISFRANCHISED is now in print, and is 100% truth, but in all earnestly it is

very controversial because George High names 12 federal Judges in the 11th Circuit, Presidents Regan, Bush # 1 and President Bush along with 19 other persons who participated in framing of George and Virginia High.

George High now live in low-income senior Citizens Building and pay \$177.00 monthly and his total income is \$550.00 monthly Social Security and \$73.00 monthly SSI and \$10.00 monthly food stamps. Virginia & George High were the victims of a "Judicial Lynching" and spent over 7 years in federal prison after being framed by the Executive and Judicial in a "Racist Conspiracy." After-which The United States of America stole 1 million two hundred + thousand \$\$\$ from them and caused the High Family to lose 4 businesses and 4 + million in assets. My Memoirs, DISFRANCHISED is now in print, and is 100% truth, but in all earnestly it is very controversial because George High names 12 federal Judges in the 11th Circuit, Presidents Regan, Bush # 1 and President Bush along with 19 other persons who participated in framing of George and Virginia High.

George High now live in low-income senior Citizens Building and pay \$177.00 monthly and his total income is \$550.00 monthly Social Security and \$73.00 monthly SSI and \$10.00 monthly food stamps. George High affirm that: He will continue this fight until Justice prevail, or hell freeze over, which ever comes first.

Virginia & George High were the victims of a "Judicial Lynching" and spent over 7 years in federal prison after being framed by the Executive and Judicial in a "Racist Conspiracy." After-which The United States of America stole 1 million two hundred + thousand \$\$\$ from them and caused the High Family to lose 4 businesses and 4 + million in assets. My Memoirs, DISFRANCHISED is now in print, and is 100% truth, but in all earnestly it is very controversial because George High names 12 federal Judges in the 11th Circuit, Presidents Regan, Bush # 1 and President Bush along with 19 other persons who participated in framing of George and Virginia High.

George High now live in low-income senior Citizens Building and pay \$177.00 monthly and his total income is \$550.00 monthly Social Security and \$73.00 monthly SSI and \$10.00 monthly food stamps. George High affirm that: He will continue this fight until Justice prevail, or hell freeze over, which ever comes first.

Virginia & George High were the victims of a "Judicial Lynching" and spent over 7 years in federal prison after being framed by the Executive and Judicial in a "Racist Conspiracy." After-which The United States of America stole 1 million two hundred + thousand \$\$\$ from them and caused the High Family to lose 4 businesses and 4 + million in assets. My Memoirs, DISFRANCHISED is now in print, and is 100% truth, but in all earnestly it is very controversial because George High names 12 federal Judges in the 11th Circuit, Presidents Regan, Bush # 1 and President Bush along with 19 other persons who participated in framing of George and Virginia High.

George High now live in low-income senior Citizens Building and pay \$177.00 monthly and his total income is \$550.00 monthly Social Security and \$73.00 monthly SSI and \$10.00 monthly food stamps. George High affirm that: He will continue this fight until Justice prevail, or hell freeze over, which ever comes first.

"When any person is intentionally deprived of his constitutional rights, those responsible have committed no ordinary offense. A crime of this nature, if subtly encouraged by failure to condemn and punish, certainly leads down the road to totalitarianism." J. Edgar Hoover (1952)

George and Virginia High, (Black), were the victims of a "Judicial Lynching," by the United States of America. The Executive and Judiciary, in a "Racist Conspiracy" Framed the Highs and deprived them of their Civil Rights as guaranteed by the First, Second, Fourth, Fifth, Sixth, Eighth, Thirteenth and Fourteenth amendments of the United States Constitution. They were unjustly indicted on Dec. 10, 1992, tried and unjustly found guilty on October 13, 1993, went to federal prison on March 28, 1994 and got out on April 11, 2001. The United States of America unjustly seized & forfeited 1 Million Two Hundred Thousand + Dollars from the Highs, and caused the High Family to lose 4 Businesses and 4 + Million in Assets. George and Virginia High, began their fight in earnest in mid 1994, for justice and freedom and since that time have filed 15-20 Motions in the District Court, 10 + in the 11th Circuit Court of Appeals and 3 in the U.S. Supreme Court, filed complaints with the Justice Dept, Office of
